DISTINCTIVE PINOT NOIRS FROM CALIFORNIA'S MOST NOTEWORTHY COASTAL WINEGROWING REGIONS

“MY GOAL WITH EACH OF THE BELLE GLOS SINGLE-VINEYARD PINOT NOIRS IS TO EXPRESS THE GENUINE UNIQUENESS OF EACH VINEYARD SITE AND TO CRAFT THE MOST HONEST STYLE OF CALIFORNIA PINOT NOIR, WHICH IS LAYERED, COMPLEX, FRUIT-FORWARD AND RICH.”

As a fifth generation Napa Valley winemaker, Joe learned his way around a vineyard long before he was able to drink wine. By the time he was 19 he knew that he would continue his family's winemaking legacy, working alongside his father at Caymus Vineyards. In 2001, he created Belle Glos, with a focus on vineyard-designated Pinot Noirs from throughout California's best coastal regions.

More recently, he has launched a number of new brands under Copper Cane Wines & Provisions. Joe has a keen interest in contributing to the evolution of the wine industry, by discovering new wine growing locations and through experimentation in the cellar.

Joe lives in Napa Valley, has six children, and maintains a healthy balance between his family life and a passionate dedication to his business.

Owner/winemaker, Joe Wagner chose the name Belle Glos (pronounced “bell gloss”) to honor his grandmother, Lorna Belle Glos Wagner. Lorna was a co-founder of Caymus Vineyards, an inspirational figure to Joe and an avid lover of Pinot Noir.
